(A) The Controller operates the online store "TiresShop" (https://tiresshop.net) from the United States and offers tyres, wheels and brake components to consumers in the Member States of the European Union through its EU storefront.

(B) The Controller has no establishment in the European Union. Because it offers goods to data subjects in the Union, Article 3(2)(a) GDPR applies, and Article 27(1) GDPR requires the Controller to designate a representative in the Union in writing.

(C) The EU Representative is established in Belgium, a Member State in which data subjects whose personal data are processed in relation to the offering of goods are located (Article 27(3) GDPR), and operates in the tyre and wheel trade. It agrees to act as the Controller's representative on the terms of this Agreement.

1. DESIGNATION AND WRITTEN MANDATE

1.1 The Controller hereby designates the EU Representative as its representative in the European Union within the meaning of Article 4(17) and Article 27 GDPR, and the EU Representative accepts this designation.

1.2 The EU Representative is mandated to be addressed, in addition to or instead of the Controller, by (a) the supervisory authorities of all EU Member States and (b) data subjects in the European Union, on all issues related to the processing of personal data by the Controller, for the purpose of ensuring compliance with the GDPR (Article 27(4) GDPR).

1.3 This Agreement constitutes the written mandate required by Article 27(1) GDPR and Recital 80 GDPR. The EU Representative may present it to any supervisory authority as proof of its designation.

2. DUTIES OF THE EU REPRESENTATIVE

2.1 **Point of contact.** Act as the Controller■■s point of contact in the European Union for data subjects and supervisory authorities, and accept correspondence addressed to the Controller at its registered office.

2.2 **Forwarding.** Forward to the Controller at info@tiresshop.net, without undue delay and in any event within two (2) business days of receipt, every request, complaint or communication received in that capacity, including data subject requests under Articles 15 to 22 GDPR.

2.3 **Record of processing.** Hold a current copy of the Controller's record of processing activities and make it available to a supervisory authority on request (Article 30(1), (2) and (4) GDPR).

2.4 **Cooperation.** Cooperate with the supervisory authorities, on request and in coordination with the Controller, in the performance of their tasks (Article 31 GDPR).

2.5 **Language.** Handle communications in Dutch, French or English, and pass them on to the Controller in English where reasonably possible.

2.6 **Limits.** The EU Representative does not determine the purposes or means of processing, does not process customer data for its own purposes, and does not act as the Controller's data protection officer, processor or commercial agent.

3. OBLIGATIONS OF THE CONTROLLER

3.1 **Disclosure.** Publish the name, postal address and contact details of the EU Representative in its Privacy Policy, Legal Notice and Contact pages (Articles 13(1)(a) and 14(1)(a) GDPR). The Controller may publish a copy of this Agreement on its website.

3.2 **Information.** Provide the EU Representative with its current Privacy Policy, Cookie Policy and record of processing activities, and notify it of any material change.

3.3 **Responses.** Answer data subject requests and authority enquiries forwarded by the EU Representative within the time limits set by the GDPR, and keep the EU Representative informed where its cooperation is required.

3.4 **Responsibility.** The Controller remains solely responsible for the lawfulness of its processing and for compliance with the GDPR. The designation of the EU Representative is without prejudice to legal actions which could be initiated against the Controller itself (Article 27(5) GDPR).

3.5 **Indemnity.** To the extent permitted by law, the Controller shall indemnify the EU Representative against fines, damages and reasonable costs imposed on or incurred by it solely by reason of its role as representative, except where caused by the EU Representative's own wilful misconduct or gross negligence.

4. CONFIDENTIALITY AND DATA PROTECTION

4.1 The EU Representative shall keep confidential all personal data, correspondence and business information received under this Agreement, use it only to perform this Agreement, and protect it with appropriate technical and organisational measures.

4.2 These obligations do not apply to disclosures required by law or requested by a competent supervisory authority, and they survive termination of this Agreement.

5. FEES AND COSTS

5.1 Any fee for the services under this Agreement shall be agreed separately in writing between the Parties. Each Party bears its own costs unless otherwise agreed.

6. TERM AND TERMINATION

6.1 This Agreement is signed on 3 November 2026. By mutual agreement of the Parties, it takes effect retroactively from 16 October 2026, the date of formation of the Controller (the "**Effective Date**"), and covers all communications received by the EU Representative on the Controller's behalf since that date. It continues for an indefinite term.

6.2 Either Party may terminate it by giving thirty (30) days' written notice (email being sufficient). Either Party may terminate with immediate effect if the other materially breaches this Agreement and fails to remedy the breach within ten (10) days of written notice.

8. FINAL PROVISIONS

8.1 This Agreement constitutes the entire agreement between the Parties on its subject matter. Amendments must be made in writing and signed by both Parties.

8.2 If any provision is held invalid, the remaining provisions remain in force, and the Parties shall replace the invalid provision with a valid one that comes closest to its purpose.

8.3 This Agreement is drawn up in English in two original counterparts, one for each Party. It may be signed electronically and in counterparts.
